Sir or Madam:

With respect to the Final Office Action dated June 13, 2007, Applicants respectfully request the Examiner's comments on the following proposed example amendment to claim 1 and supporting remarks, to assist the Applicants in more effectively amending their claims.

PROPOSED EXAMPLE AMENDED CLAIM 1:

1. (Currently Amended): A method of establishing a wireless communications link, the method comprising:

(a) discovering by a wireless communicating device (WCD) in an ad hoc network the existence of a remote device within a coverage area through a first short-range communications interface, the first short-range communications interface communicating through a first short-range communications link according to a first short-range communications protocol;
